## Course Overview

*This section gives you an introduction to what you will be learning in this course, plus course outcomes, career opportunities, and student support.*

### Introduction

If you are currently working on a farm, this course will provide you with an understanding of the safe operation of tractors and front-end loaders in any given situation, with or without attached equipment. You will learn skills to safely use the various components and controls of a tractor and front-end loader. The course also includes procedures and guidelines, occupational health and safety, and risk management information.

During the two days of face-to-face training, you will be assessed over a range of surfaces, weather and terrain conditions, with a two-week gap in between the two days.

### What will I Learn?

- prepare a tractor for operation
- prepare a front-end loader for operation
- operate a tractor
- operate a front-end loader
- complete a tractor operation
- complete a front-end loader operation.

## Course Outcomes and Career Opportunities

On successful completion, you will receive a Statement of Attainment for this course, which may contribute to the award of an agriculture qualification.

## Course Requirements

*This section gives you an overview of entry requirements, course units and electives, skills recognition, and assessment criteria.*

### Entrance requirements & pre-requisites

You must be at least 16 years of age and currently working on a farm.

## For this course, you will need to:

- provide photo ID to the trainer on the first day of the course
