Course Overview

This section gives you an introduction to what you will be learning in this course, plus course outcomes, career opportunities, and student support.

Introduction

This WorkSafe-approved training course supports Health and Safety Representatives (HSRs) and Deputy HSRs in understanding how they can effectively use their powers when participating in the identification, prevention, and control of the risks associated with Psychological Health.

Under the OHS Act (section 67) all elected HSRs and deputy HSRs, after completing an initial course of training, have an entitlement (for each year they hold office) to attend Refresher training and choose the course in consultation with their employer.

What will I Learn?

The training will provide HSRs with the confidence, skills, and knowledge to represent their designated work group (DWG) when raising health and safety concerns in relation to Psychological Health.

Course content:

- The value of being an HSR – a review
- Review of key terms and concepts
- Risk Management
- Elements of OHS Legislative Framework
- Types of hazards
- Determining risk levels and controls
- HSRs and Psychological Health

Course Requirements

This section gives you an overview of entry requirements, course units and electives, skills recognition, and assessment criteria.

For this course, you will need to:

- bring along a pen and paper

Units offered

This short course does not include accredited units and training.
