

FOUR CRITICAL ACTIONS FOR VET & HIGHER EDUCATION PROVIDERS

Responding to Incidents, Disclosures and Suspicions of Child Abuse

PROTECT

YOU MUST TAKE ACTION

As an Organisation/Institution/University staff member, you play a **critical role** in protecting children* in your care.

- You **must** act, by following the four critical actions, as soon as you witness an incident, receive a disclosure or form a reasonable belief that a child has, or is at risk of being abused.
- You **must** act if you form a suspicion/reasonable belief, even if you are unsure and have not directly observed child abuse (e.g. if the victim or another person tells you about the abuse).
- You must use the relevant templates to keep clear and comprehensive notes.

Refer to the SWTAFE Child SAFE Procedures via Echo

*A child or young person is defined as a person under the age of 18 years

1 RESPONDING TO AN EMERGENCY

If there is no risk of immediate harm go to **Action 2**.

If a child is at immediate risk of harm you **must** ensure their safety by:

- separating alleged victims and others involved
- administering first aid
- calling **000 for urgent medical and/or police assistance** to respond to immediate health or safety concerns
- identifying a contact person in your organisation for future liaison with Police.

Where necessary you may also need to maintain the integrity of the potential crime scene and preserve evidence.

2 REPORTING TO AUTHORITIES

As soon as immediate health and safety concerns are addressed you **must** report all incidents, suspicions and disclosures of child abuse as soon as possible. Failure to report physical and sexual child abuse may amount to a criminal offence.

Q: Where does the source of suspected abuse come from?

This may include making a referral or seeking advice from Orange Door (in circumstances where the family are open to receiving support), or to DFFH Child Protection or Victoria Police.

3 CONTACTING PARENTS/CARERS

The relevant unit/staff member **must** consult with DFFH Child Protection or Victoria Police to determine what information can be shared with parents/carers. They may advise:

- **not to contact** the parents/carer (e.g. in circumstances where the parents are alleged to have engaged in the abuse, or the child is a mature minor and does not wish for their parent/carer to be contacted)
- **to contact** the parents/carers and provide agreed information (this must be done as soon as possible, preferably on the same day of the incident, disclosure or suspicion).

4 PROVIDING ONGOING SUPPORT

Your Organisation/Institution/University **must** provide support for children impacted by abuse. This should include a *Student Support Plan* developed in consultation with a Student Wellbeing professional/Counselling staff.

Strategies may include development of a safety plan, direct support and referral to wellbeing professionals.

You **must** follow the *Four Critical Actions* every time you become aware of a further instance or risk of abuse. This includes reporting new information to authorities.
